

Stop Oak Wilt Shopping Day!

This merchant is helping to
SAVE AUSTIN OAKS.

Shop **HERE all day and night** on
First Thursday, May 7

and a percentage of all profits will be donated to
saveaustinoaks.org.

Why?

- Oak Wilt has made a resurgence in Travis Heights.
- If unstopped, the disease endangers the other Live Oaks and Red Oaks in the neighborhood and in Stacy Park.
- A trenching effort is the best defense to contain and stop the spread of oak wilt disease.
- Money raised May 7, First Thursday, will be dedicated to saving our oaks through this trenching effort.

Shop local on May 7th and help save our oaks!
